For Immediate Release**Acclaimd Announces Acquisition by eBoss*****Acclaimd's Socially Driven Technology Acquired by eBoss, Provider of Online Recruitment Solutions***

COLUMBUS, Ohio, May 13, 2014 – Acclaimd, the fastest and easiest way to optimize and distribute jobs on social and mobile platforms, announced today that it has been acquired by eBoss Online Recruitment Solutions.

eBoss, with its HQ in the United Kingdom, provides recruitment software services to recruiters worldwide. Acclaimd's solution to create and share job postings via social networks will continue to be offered to our new and existing customers as a standalone product of eBoss. The founders, Derek Edwards and Kurt Prosser, will be working with eBoss to assist in the transition and then moving onto new projects.

“We're very pleased that eBoss has recognized the value of Acclaimd technology and is positioned to enhance and optimize it,” said Derek Edwards, Co-Founder of Acclaimd. “Furthermore, our existing customers will benefit from eBoss recruitment software's strong industry expertise and ideas for new features.”

“eBoss is very pleased to have acquired Acclaimd, and we look forward to applying our recruitment industry knowledge to Acclaimd's customers, as well as offering our customers the opportunity to optimize and distribute their jobs on social and mobile platforms,” said David Lyons, Managing Director of eBoss.

About Acclaimd

Born during the February 2012 Startup Weekend event held in Columbus, Ohio, Acclaimd was mentored by the [TechColumbus](#) and [Founders Factory](#) and was a 2012 graduate of The Ohio State University 10-xeleratorprogram. Board advisors include Ron Landthorn, Vice President at TechColumbus, Vic Thorne, Managing Director of Broadline Capital, Dave Hunegnaw, Co-Founder of AboutOurWork.com, and Bruce Lane, Executive Director of NANA Management Services.

Acclaimd provides the fastest and easiest way to optimize and distribute jobs on social and mobile platforms. The solution allows companies to create job postings that are visually attractive on social and mobile platforms, share those postings across networks and measure the results of the campaign.
